Assignment 1: Research for Dashboard**Start Date: 07-Sep-2026****Submission Date: 16-Sep-2026****Marks: 10****Objective:**

To research and plan for a dashboard for the given brand and domain using the provided data, applying research, visualization techniques, UX principles, and design consistency.

Task Brief:

Prepare a document that includes:

- A short description of the brand or organization
- Its colours, typography, icons, and overall visual identity
- Screenshots/visuals that show the design style
- Answers to the following planning questions:
 1. What is the purpose of the dashboard?
 2. Who is the primary audience?
 3. When will this dashboard be used? (e.g., daily, weekly, real-time)
 4. How does this dashboard help the user take action?
 5. Define goals and KPIs (choose the most relevant ones).
 6. Why are these specific KPIs being tracked?
 7. Why each visualization method was chosen (e.g., why a bar chart was selected instead of a line chart) which justifies your visualization choice.

Evaluation: Evaluation will be based on students' process and the final body of work produced.

Evaluation Criteria:

- Research for Domain, Brand, and User 5 Marks
- Reasoning for Data Visualization 5 Marks

Submission Format:
